Game Guardian Supports Local Hockey Clubs

Since 2014 Game Guardian has been creating uncompromising sports protection wear for Australian athletes.

We make products that do more than protect; they help players perform at their peak. Intelligently designed products that give the confidence to go further, to push harder – sports protective wear that gives players the edge.

We're all about grassroots sport. We recognise that sport is a part of our fabric and plays an important role in the development of young Australians. Right from the beginning we have been sponsoring local sports clubs.

Introducing the

STEALTH GUARD HOCKEY

Sports Protection Reimagined

Compression technology enhances athletic performance & recovery time

Lightweight composite guard inserts included

Tight, flexible fit prevents slippage of shin guard.

XRD® Extreme Impact Protection foam

Streamlined profile gives weightless feel and freedom of movement

XRD® Technology protects ankles without restricting movement

Grassroots Program Benefits

The Game Guardian Grassroots program aims to establish mutually beneficial and sustainable partnerships with local hockey clubs.

- Clubs promote Game Guardian's superior quality protection products to members.
- When members purchase, the club benefits. See remuneration options below.
- Clubs benefit from long term sponsorship. Game Guardian benefits from product exposure.

Club Remuneration

There are two ways your club can benefit from partnering with Game Guardian:

Option 1:

Wholesale Pricing

This model is suitable for clubs who operate a uniform/gear store, or who provide player kits each season.

RRP (AUD)	\$59.95 inc. GST
20 - 39 Units	\$36.00 inc. GST
40 - 65 Units	\$32.40 inc. GST
66+ Units	\$29.20 inc. GST

For example:

- 65 units sold x \$59.95 RRP = \$3896 revenue
- Less \$2106 wholesale cost

\$1790 profit for your club

Option 2:

Revenue Share

Volume-based sponsorship amount, plus a per-sale amount. Promote Game Guardian to your members to generate tracked sales.

Base sponsorship + 15% of sales

For example:

- 65 units sold x \$59.95 RRP = \$3896 revenue
- 15% of revenue = \$584 for your club
- PLUS example base sponsorship of \$250

\$834 total for your club

We can discuss base sponsorship amounts for your club, taking into account club size and sponsorship needs.

Limited places available. Game Guardian will make the final decision on program acceptance. All sponsorship amounts are inclusive of GST.

"Game Guardian has provided an excellent service to our members, and the club has benefited from increased sponsorship funding. Our members particularly love the online ordering process."
